

We are in the depths of winter and are ready for the flowers of spring! We hope you are too!

Last summer downtown Alexandria was awash with brilliant color due to the success of the Downtown Merchants Association flower basket project.

July 15, 2005 Echo Press Thumbs Up

“Another brightener~upper in Alexandria are the colorful flower baskets adorning Broadway. A reader stopped in to say how much she appreciates the beautiful well-tended floral arrangements. *“It says so much about our community,”* she said. *“Our downtown is doing so well any way and this adds to it. It’s really an upbeat sight for tourists as well as local residents.”*

By sponsoring your plant for \$100 you cover the cost of the plant, watering, and fertilizer for the season.

Yes, I’d like to support this project and adopt a flower basket for 2010. You can mail in the form or email the information to schreiner@gctel.net.
